PREAMBLE

The Board of Education and the American Federation of Teachers recognize that they have a common responsibility beyond their collective bargaining relationship.

The Board of Education and the American Federation of Teachers wish to declare their mutual intent to work together toward the achievement of common aims of educational excellence.

The Board of Education and the American Federation of Teachers will strive to achieve a mutually acceptable formulation of general objectives and of long-term educational goals and programs in areas of mutual concern, as the recruitment of well-qualified teachers, the improvement of instruction, the reduction of class size, and the development of a more effective curriculum.

It is hoped that this joint effort will contribute in significant measure to the advancement of public education in the High Mount School District.

Agreement made and entered into by and between the Board of Education of High Mount School District (hereinafter referred to as the "Board") and American Federation of Teachers, Local 2175, AFL-CIO (hereinafter referred to as the "Union").

Whereas the Board has voluntarily endorsed the practices and procedures of collective bargaining as a peaceful, fair and orderly way of conducting its relations with its employees insofar as such practices and procedures are appropriate to the special functions and obligations of the Board, are permitted by law and are consonant with the paramount interests of the school children, the school systems and the public; and

Whereas the Board and its designated representatives have met with representatives of the Union and fully considered and discussed with them, in behalf of the teachers in the bargaining unit, all matters which the Board has agreed to negotiate relating to conditions of employment of teachers in District 116, it is agreed as follows:

ARTICLE I - UNION RECOGNITION

When a fee is assessed for an institute or workshop, the Board will pay registration fees as well as mileage and lunch. This applies to both credit and noncredit institutes. Reimbursement for workshops will run from September 1 to August 31. Institute or workshops taken during this time and paid by the district will count toward two professional days. The district will pay a maximum of \$200.00 per (individual) teacher. Cost above this amount will be borne by the teacher. This benefit will not be available to teachers after they have been notified of their layoff/RIFing.

3. Teachers will be authorized three (3) days of leave per year to attend funerals, limited to the immediate family. The term immediate family shall be interpreted to include wife, husband, son, daughter, father, mother, sister, grandfather, grandmother, aunt, uncle and corresponding in-laws. 4. Teachers required to perform jury duty service will receive full salary during such service, less any compensation paid for jury service.
5. A faculty member who is drafted or otherwise involuntarily called to military service will be granted a military leave (without pay) for said service. If an employee requests an extension of the leave beyond the time of the doctor's statement, an unpaid leave may be granted upon the approval of the Board.
 - B. The teacher desiring such leave shall give written notice to the Superintendent for his/her recommendation and presentation to the Board of Education at least four (4) months prior to the anticipated date of the start of the leave.
 - C. Teachers returning from leave shall resume their duties at the beginning of a school year, except when the teacher and the Board of Education mutually agree on some other return date.

All IEP leave days must be requested in a timely fashion and approved by Administration.
11. If an employee is absent on any school day for which he/she is not otherwise entitled to a paid absence, his/her annual pay shall be reduced by the daily rate of pay for each absence. 3. Teachers earning additional college credit hours shall be reimbursed by the Board for the cost of their tuition and fees upon receipt of an official transcript indicating successful completion (grade of B or higher) of the course. Reimbursement must be requested within six months of completion of the approved course. Adjustments to this time line may be made on an individual basis.
 - a. Reimbursement shall be equal to the current tuition rates for Illinois residents at an Illinois State accredited college or university, not to exceed one thousand five-hundred dollars (\$1,500.00) in any one school year.
 - b. Courses must be toward a higher degree in Education or in subject matter areas related to presently assigned teaching duties; in this regard, courses must be approved by the Administration prior to enrollment on a properly completed form prior to the start of the course.
4. A bonus of two hundred (\$200.00) for a full year of attendance with no absences of any kind will be paid the teacher at the end of the school year. Days lost due to death in the immediate family or to attend professional meetings, shall not

preclude eligibility. Only one Superintendent-approved personal day can be used in order to maintain eligibility.

5. Teachers will be given credit for attending workshops, seminars, conferences, and continuing education courses with proper documentation by completing the Course/Workshop Approval Form. Teachers will maintain their own personal records. These courses must be held after regular school hours on the weekdays, on the weekends, in the summer months, or on holidays to receive credit on the salary schedule. Credit granted will be based on the following formula:

Twenty workshop/seminar/conference hours=1 semester graduate hour

6. Staff members turning in tuition cards will receive \$100.00 credit to purchase personal educational materials or to apply to one of the two professional days costing more than \$100.00 or \$100.00 credit for additional tuition reimbursement over the \$1,100 tuition limit. Cards will be used by administration for those staff members working towards a master's degree, with a priority given to those who have, or are about to exhaust the \$1,500.00 limit for tuition reimbursement.

ARTICLE VI - GRIEVANCE PROCEDURE

A grievance is a complaint involving a work situation in which there exists a lack of policy, a policy or practice that is improper or unfair, or that there has been a deviation from, or the misinterpretation or misapplication of a practice or policy, or that there has been a violation, misinterpretation, misapplication, inequitable or otherwise improper application of any provision of this agreement and/or policy of this School District.

Procedure for adjustment of grievances.

Step 1

A teacher with a grievance shall first discuss the matter with the Superintendent, with the objective of resolving the matter informally.

Step 2

Union Grievance Committee. The individual suffering the grievance will present evidence of said grievance in writing to any member of the Union Grievance Committee. The Union Grievance Committee shall decide upon the validity of the written grievance. Validity shall be established by 2/3 vote.

Step 3

In the event the matter is not resolved by steps one (1) and two (2); the problem stated in writing shall be submitted to the Superintendent. After receipt of the grievance from the Grievance Committee the Superintendent shall state his/her decision in writing, with supporting reasons and shall furnish one copy to the Grievance Committee within five (5) school days.

Step 4

In the event the matter is not resolved at step (3) the grievance shall be submitted in writing to the Board of Education within five (5) school days. After the receipt of the grievance the Board of Education shall hold a hearing to resolve the matter. At this private hearing, the teacher may be represented by Union representatives and/or legal counsel. Within two (2) school days after the hearing the Board shall submit its decision.

Step 5

If the Union is not satisfied with the disposition of the grievance at Step (4) or the time limits expire without the issuance of the Board's decision, the grievant may submit the grievance to final and binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association, which shall act as the administrator of the proceedings. If a demand for arbitration is not filed within thirty (30) days of the date for the Step (4) answer, then the grievance shall be deemed withdrawn.

- A. Neither the Board of Education nor the Union shall be permitted to assert any grounds or evidence before the arbitrator which has not previously been disclosed to the other party.
- B. The arbitrator, in his opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. His authority shall be strictly limited to deciding only the issues presented to him in writing by the School District and the Union, and his decision must be based only upon his interpretation of the meaning or application of the express relevant language of the Agreement.
- C. Each party shall bear the full costs for its representation in the grievance procedure.
- D. If either party requests a transcript of the proceedings, that party shall bear full costs for that transcript. If both parties order a transcript, the costs of the two transcripts shall be divided equally between the Board and the Union.
- E. Each party shall share equally the cost of the arbitrator and the AAA.
- F. Failure of an employee or union to act on any grievance within the prescribed time limits will bar any further appeal. An administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. Time limits shall be extended by mutual consent.
- G. Any investigation, handling, or processing of any grievance by the grievant shall be conducted so that instructional programs and related work activities of the grievant or the teaching staff are not interrupted.
- H. No Reprisals. No reprisals shall be taken by the Board or the administration against a teacher because of his participation in a grievance.
- I. A grievance may be withdrawn at any level without establishing precedent.

- J. If the Union or any employee files any claim or complaint in any forum other than under the grievance procedure of this Agreement, then the Board shall not be required to process the said claim or set of facts through the grievance procedure.

ARTICLE VII - NO STRIKE

During the terms of this Agreement, employees shall not participate in a strike in whole or in part. Strike means an employee's refusal in concerted action with others to report for duty, or his or her willful absence from his or her position, or his or her stoppage of work, or his or her absence in whole or in part from the full, faithful or proper performance of his or her duties of employment, for the purpose of inducing, influencing or coercing a change in the conditions, compensation, rights, privileges or obligations of public employment.

ARTICLE VIII - SENIORITY

- 1. Seniority order within the district shall be based on the date the Board of Education awarded tenure to the certified teacher. In the event more than one certified teacher attains tenure on the same calendar day, the initial date of continuous employment, including part time, in the district shall determine rank. In the event more than one teacher has the same initial date of continuous employment, the Board of Education, in its discretion will assign seniority based on the following factors:
 - A. Total years of teaching experience
 - B. Highest earned college degree plus hours
 - C. Years of experience in the department or grade

The seniority list will be developed annually with the Union Rep. and published annually by February 1, of each year.

ARTICLE IX - TECHNICAL CLAUSES

- 1. It is recognized by the Union and the Board that all provisions of this Agreement may be altered only by the consent of both parties. If any provision of this Agreement is subsequently declared by the proper legislative or judicial authority to be illegal or non-binding, all other provisions remain in force, and will not be affected, so that this Agreement will remain whole with the void provision deleted and any substitute action shall be subject to appropriate consultation and negotiation between the Union and the Board.

2. Conformity to Law. No provision of this Agreement shall abrogate the statutory rights, duties, and responsibilities of the Board. The Board also reserves its rights to delegate to its administrators the responsibility for the day-to-day management of the schools in its charge.
3. Board Policy. This contract and its provisions shall be presented to the Board to become, when approved, a supplement to the Board Policy. Nothing herein provided shall serve to remove from teachers any advantageous working conditions, economic benefits or professional rights presently enjoyed under current Board Policy and not treated within this contract, nor are responsibilities and obligations of teachers under current Board Policy altered except as specified under this contract. Except as herein above otherwise provided, the Board reserves the right to amend its policies, other than as contained in this Agreement, from time to time as deemed necessary. It is further understood that this agreement shall be the foundation, until it expires, of all future negotiations between the Board and Union.
4. Good Faith Performance. The Board and the Union and their representatives, mutually agree to carry out the performance of this contract in good faith. The Board and the Union further agree to faithfully comply with case and statute law of the State of Illinois.

ARTICLE X - FAIR SHARE

1. All employees covered by this Agreement who are not members of the Union, commencing on the effective date of this Agreement, or upon their initial employment, and continuing during the term of this Agreement, and so long as they remain non-members of the Union, shall pay to the Union each quarter their fair share of the cost of the services rendered by the Union that are chargeable to non-members under state and federal law.
2. Such fair share payment by non-members shall be deducted by the Board from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall certify to the Board a fair share amount not to exceed the dues uniformly required of members in conformity with state law and Labor Board rules.
3. The Board shall cooperate with the Union to ascertain the names of all employee non-members of the Union from whose earnings the fair share payments shall be deducted, their work locations and available space to post a notice concerning fair share.
4. The Union shall cause to be posted a notice concerning the fair share fee information required or permitted by the Labor Relations Act and Board rules.

5. Upon adoption of any Union internal appeal procedure, the Union shall supply the Board with a copy. In addition, the Union shall advise the Board of subsequent changes therein.
6. Upon receipt of formal notice of an objection or unfair labor practice charge to the Labor Board, the Union and the Board, hereby agree to comply with Labor Board rules. The Board shall forward the objector's fee or portion of the objector's fees being contested to the Labor Board to be placed in an escrow account pending a decision or mutually agreeable settlement between the Union and the objector(s).
7. The Union shall indemnify and hold harmless the Board, its members, officers, agents, and employees from and against any and all claims, demands, actions, complaints, suits, or other forms of liability that shall arise out of, or by reason of action taken by the Board for the purposes of complying with the above provisions of this Article, or in reliance on any list, notice, certification, affidavit, or assignment furnished under any such provisions.
8. If during the term of this Agreement, the Labor Board or a court of competent jurisdiction rules any part of this Article void or not enforceable, the Union and the Board agree to convene negotiations on this matter immediately for the sole purpose of bringing this Article into compliance with the standards or ruling of said Labor Board or court.

To receive this retirement pay, the teacher must submit a letter of intent to retire by April 1st of the year prior to his/her first year of retirement payments.
