COOKIE EXCHANGE

We also are having the annual cookie exchange immediately after the concert. It is a big fundraiser for the music program. **Again, this year we ask that you send 2 dozen homemade cookies to school on the day of the program. Please have them here before noon. Please do not feel like you have to buy cookies for this. The idea of this cookie sale is to make money, but also to have a family night of holiday cookie making at your house.**

I am in need of help at 12:30 on the day of the concert. It will take about an hour. We will be sorting cookies. Please fill out the bottom of this form and send it to school by Friday December 2, if you can help.

I will also need help after the cookie sale with clean-up. If you can help, please check that area.
