

SUMMER CAMP NEWS

Phone Number 233-1054 ext. 207

We would like to welcome all of our 2011 Campers! The boys and girls are getting excited for their summer vacation. **The first day of Summer Camp will be June 6th.** The summer camp will be filled with many arts & crafts, music, games, pool days and other fun activities. Our goal for the summer program is to allow children to interact in many activities under close supervision.

The boys and girls will be able to bring their bikes or scooters daily. The boys and girls will be able to leave their bikes over night. We will lock the bikes in the building. **All bikes and scooters must be taken home on Fridays or the last day of the week that your child will be attending.**

We will be going swimming on Thursdays starting June 16th. We will send out a permission slip that will need to be signed and sent back in order for your child/children to attend the trips to the Pool. There will only be one permission slip sent out for swimming days. Once you have signed one then that's all you will need for the whole summer.

Items that your child needs to bring daily: Sunscreen, tennis shoes and a blanket for those younger children that will take naps. Children **MUST** wear shoes with backs. We strongly suggest that everyone wear tennis shoes. We are planning on taking a trip to Melvin Price Park each week. We will be walking to the park, so please be sure that your child is not wearing sandals on the day of the trip. All belongings will need to be taken home on Fridays or the last day your child attends for the week to be washed. **Children should not bring toys from home unless a camp counselor has given them permission.**

Parents just a friendly reminder that payments are due in advance. If your family is planning a vacation during the summer and your child(ren) will not be at camp, we do ask that you let us know in advance. Each family will receive one free week for vacation time, if your child is enrolled for all 3 months of camp.

We look forward to meeting all the new campers this year! Lets have a great summer and lots of fun!!

RATES ARE ON THE BACK →
