Only those committees that have new business or have updates will be part of the agenda.

You were given a list of events and programs we sponsor. The chairs of those programs are listed, as well as what volunteers do for each. How the program benefits the students and staff of High Mount is also listed. Please take a moment to look this over, and then feel free to stay around a while after we close the meeting if you are interested in working with a specific event or program. If you wish to sign-up this evening to assist with anything, please do so, however, it is not a requirement. If you signed a 2 hour pledge and aren't sure where you would fit best let one of us know, we'll match you up with the appropriate event or program when the time comes. If you are interested in helping out but not really sure what is expected, ask for the binder that comes with all the details for that event. This is a reference guide that will help you from start to finish.
